Not on Wednesday. The operation is three days and we will not meet our time commitment if we deviate to other things. We don't want to run out of time and have to go skip the weekend and return on Monday. This should be added to today's CARE schedule if it is urgent.

Hi Sarah,

I know we have a lot going on Wednesday. Can you have a team also visit the Corbin bike path that day if possible? People are complaining there's a blockage on the path.
